VILLAGE OF FROBISHER

BYLAW NO. 1-2019

A BYLAW TO REGULATE AND CONTROL THE USE AND CONSUPTION OF WATER FROM THE MUNICIPALITY'S WATER WORKS SYSTEM AND CONTROLLING AND REGULATING THE DISCHARGE OF SEWAGE INTO THE MUNICIPALITY'S SEWAGE SYSTEM

The Council of the Village of Frobisher, in the Province of Saskatchewan, enacts as follows:

1) This Bylaw shall be cited as "The Water and Sewer Management Bylaw."

2) In this Bylaw, including this section:
   a) "Clerk" shall mean the Clerk/Administrator of the Municipality
   b) "Council" shall mean the Council of the Village of Frobisher
   c) "Municipality" shall mean the Village of Frobisher
   d) "Utility" shall mean all or some of the following services: water, sewer, refuse collection

3) Persons who want to be supplied with water and/or sewer from the municipal system, where the service is not currently installed, must make application to the Clerk of the Municipality by completing Schedule A hereunto attached.
   a) Each application shall be accompanied by the payment of a utility installation fee of $500, any installation charges above and beyond this amount will be invoiced back to the property owner.
   b) The application must be reviewed and approved of by Council prior to installation work commencing.
   c) The work must be completed by a Village approved contractor.
   d) The Village will provide and ensure that sufficient materials (pipe and fittings) are on hand for the installation. The cost for these materials will be invoiced back to the property owner.
   e) Once the work is completed the contractor is to invoice the Village for the installation of the water and/or sewer line and is to provide the Municipality with the footage from the sewer and/or water main to the property line and from the property line to the house.

4) Persons who want to be supplied with water and/or sewer from the municipal system, where the service is currently installed, must make application to the Clerk of the Municipality.
   a) Each application shall be accompanied by the payment of a utility deposit in the sum of One-Hundred Dollars ($100).
   b) The utility deposit shall be refunded upon service being discontinued at the request of the consumer, provided all utility charges are paid in full. If utility charges are not paid in full the utility deposit will be applied to the outstanding charges.

5) The municipality shall have the right to limit the amount of water furnished to any customer, should circumstances deem to warrant such action.

6) The use of water from the municipal system for the sprinkling of lawns and gardens is hereby restricted as follows:
   a) All residents and places of business on the east side of Third Street will be allowed to sprinkle lawns and gardens every Monday, Wednesday, and Friday from the hours of 7:00 p.m. to 9:00 p.m.
   b) All residents and places of business on the west side of Third Street will be allowed to sprinkle lawns and gardens every Tuesday, Thursday, and Saturday from the hours of 7:00 p.m. to 9:00 p.m.
   c) The restrictions in (a) and (b) above shall remain in force for the months of May, June, and August.

7) No person shall supply Municipal water to livestock. Nor shall they convey; sell; dispose of; give away; permit water to be carried or taken away; or use it or supply it for the use or benefit of others.

8) No person shall discharge into any drain, sewer, or sewage system operated by the Municipality, matter, substance, or thing, whether liquid or solid, that would be injurious to health, life, or property; or that would injure, pollute, or damage any stream, watercourse, drain, sewer, sewage system, or sewage treatment plant.
   a) The utility service of any person who contravenes this section of the Bylaw shall be discontinued and a fine of one-hundred dollars ($100) will be imposed for each breach of the Bylaw plus any additional costs for damages.

9) Accounts for utility service shall cover a period of three successive months, and shall be rendered on or before the first day of the month next following such periods; specifically March, June, September, and December.

10) All customers are required to make full payment of utility services by the final day of the month following the billing month. If any customer does not make payment by the required date they are subject to a ten percent (10%) late payment charge. A maximum time frame of 40 days shall be given for late payment. If payment is not made, utility service to the unpaid customer will be disconnected and when the utility service is so cut off, it shall not be resumed until all arrears have been paid together with a reconnection fee of fifty dollars ($50).

11) Consumers may be permitted to pay for annual service in advance in any month of that year, so long as their utility account is not in arrears, and that consumer shall receive a ten percent (10%) discount.

12) If any utility charges remain unpaid on December 31, that amount shall be added to, and thereby form part of the taxes on the land or buildings with respect to which the service was provided.

13) Bylaw 2/2001 is hereby repealed.
