VILLAGE OF FROBISHER

BYLAW NO. 2-2020

A BYLAW TO FIX THE RATES TO BE CHARGED FOR THE USE AND CONSUMPTION OF WATER AND TO FIX THE RATES TO BE CHARGED BY WAY OF RENT OR SERVICE CHARGE FOR THE USE OF SEWER

The Council of the Village of Frobisher, in the Province of Saskatchewan, enacts as follows:

1. The charges to be paid by the water consumer whose water service has been turned on shall be those set out in Schedule "A" attached; provided, however, that the minimum shall be payable in every case whether or not any water is consumed.

2. Persons who own or occupy premises drained or that are by bylaw required to be drained into the sewer shall pay for such services a rental rate or service charge in accordance with Schedule "B" attached.

3. Accounts for water services and/or sewer service shall cover a period of three consecutive months, and will be rendered on or before the first day of the month following such period. The billings will be generated on March 31, June 30, September 30 and December 31. Accounts shall be paid by the following month-end from the date on which accounts are rendered. If an account is not paid by that time, a ten percent (10%) penalty will be added. After a timeframe of forty (40) days the water service may be disconnected. When the water service is cut off, it shall not be turned on until all arrears have been paid, together with a fee of $50.00 to cover the expenses of turning off the water and turning it on again.

4. Consumers may be permitted to pay for annual service in advance in any month of that year, so long as their utility account is not in arrears, and that consumer shall receive a ten percent (10%) discount.

5. Bylaw 1/2010 is hereby repealed.

THE rates, charges, tolls or rents contained in tl
the day of approval being issued by the Saskatc

Dear Kate Halkyard:

Enclosed for your records is approval of water and sewer rates pursuant to subsection 23(3) of *The Municipalities Act*.

The Local Government Committee recommends the Council to establish a specified utility reserve, which would be funded by an annual utility surplus when possible.

Yours truly,

Financial Analyst
